

HIS HOUSE: Foundation - Holy Spirit What God wants us to DO

1) How can you use or apply the following verses? The first one has been done for you as an example.

Acts 16:6

Follow where the Holy Spirit leads...even when what He's leading me away from seems like a good thing.

Romans 8:2

Romans 8:12-17

Romans 12:2

Galatians 5:16-18, 25

Galatians 5:22-23

2) What steps can you take each day to live and walk in the Holy Spirit?

3) Believers cannot “lose” the Holy Spirit once He is in them, but they can resist the presence and the power of the Holy Spirit in their lives. Read the following verses and describe some of the ways as well as the consequences of doing this. The first one has been done for you as an example.

Acts 7:51	Acts 7:51	Acts 7:51
Acts 7:51	Being stubborn and obstinate	Hardening of the heart; growing cold
Ephesians 4:29-31		
1 Thessalonians 5:19-22		
Matthew 12:24, 31-32; Mark 3:22-30; Luke 12:10		

3) Based on what you have learned this week, list 2-3 principles in the space below. Principles can fall into any of these categories:

- A truth about God (His person, character, etc.)
- A promise or warning from God
- A statement of how He relates to mankind

Example: God will equip me through the Holy Spirit to resist sinful temptations.

4) Write a personal prayer as you talk to God, asking for His help to apply the lesson you have just studied.

5) Write down 2-3 steps to implement the things you have learned this week. Ask yourself what action God is leading you to take. What things do you need to start / stop doing?
