Ministry Spotlight

This Plano-based faith nonprofit offers job training, placement assistance, free counseling, and discipleship to empower people in need toward a sustainable future.

ANNOUNCING DIG DEEPER

LifeMark Ministries is pleased to announce an addition to our popular Mondays with Mark weekly video message. After doing over 450 Mondays with Mark and being encouraged to compile some of them into a book, we launched *Seek First* in January - a book of 60 of the MwM messages tweaked to a quick read. It also has a prayer and a QR code for those who might want to view the original MwM video.

Unbeknownst to us, a gentleman has been writing short Bible Study Lessons based on MwM video talks. When we saw his work, we were very impressed, so we asked if he'd like to begin doing them for us on a weekly basis as a companion Blog.

So, starting in mid-March, we will have a link to these Dig Deeper Short Bible studies with each MwM video. We hope this enhances the MwM experience. Please let us know what you think.
