## A Study Review

This study, *A Time of New Authority; The Gospel According to Mark*, causes you to think deeper. Instead of just a fill in the answer, it prompts you to access other resources to get to a deeper meaning or clarification. Then encourages to apply to your life.

### Ministry Spotlight

Building a meaningful ministry doesn't require nonprofit status. Lorraine Smith of Central Church of Christ in Dalton, Georgia, sends handwritten encouragement cards to newly baptized Christians. With church volunteers, they mail approximately 85 prayed-over cards weekly, each containing a Bible verse and personal message—demonstrating that faithful service needs no formal structure.

### BUILDING YOUR FAITH FOUNDATION

This January, strengthen your faith from the inside out with *Mondays with Mark*. Starting January 5th, learn to redirect conversations toward Jesus, prepare your personal testimony, master Scripture resources, and develop biblical competence. These aren't standalone lessons—they're building blocks creating a complete foundation for authentic, effective faith sharing in 2026. Watch them together for maximum impact!
